Thanks are due to all the club members who took time from their schedules to recall for this history the many highlights of the club's fifty years of activities. Thanks also go to Lena and Garnett Turner, Miles and Marcella Turner, Stephen and Sue Funkhouser, and Joan Schweigert for collecting photos and providing information. Special thanks go to Lena Turner for her clippings file, and for helping with identification of photos and proofreading, although all errors are mine. It has been a privilege and a pleasure to compile the history of this remarkable organization.
